VAC3. VACCINE MANDATORY																					
It is entirely voluntary. Every person can choose whether or not they want to apply for the vaccine document. Those that don't can still travel, but under stricter rules. Those that do apply can return to their normal travel routine.	44%	41%	46%	48%	40%	42%	52%	43%	40%	42%	46%	40%	50%	38%	45%	48%	46%	39%	48%	38%	49%
This is another example of government overreach. We shouldn't be collecting this kind of information on anyone. Washington already has too much control over our lives. Let's not make it worse.	28%	29%	28%	30%	28%	26%	31%	30%	28%	26%	30%	25%	30%	36%	24%	17%	29%	40%	15%	42%	33%
It should be mandatory. Now is not the time to allow people who are reckless about the pandemic to continue to endanger others and enabling spread of the virus when they travel.	28%	30%	26%	22%	32%	33%	17%	27%	32%	33%	24%	36%	21%	26%	31%	35%	25%	21%	37%	20%	18%
