2021 SUMMARY REPORT:
HHS Region 4
Governmental Public Health Workforce
ACKNOWLEDGEMENT & CITATION

The Public Health Workforce Interests and Needs Survey (PH WINS) was developed by the de Beaumont Foundation and the Association of State and Territorial Health Officials to understand the interests and needs of the state and local governmental public health workforce in the United States, and was fielded in 2014, 2017, and 2021. For more information, visit www.phwins.org.

ABOUT THIS REPORT

This report summarizes key findings about the governmental public health workforce in HHS Region 4 from the 2021 Public Health Workforce Interests and Needs Survey (PH WINS).

• Key findings are organized by the main sections of PH WINS 2021:
  • Demographics
  • Workforce Characteristics
  • Staying & Leaving
  • Training Needs
  • Engagement & Satisfaction
  • Well-being
WHAT IS PH WINS?

Public Health Workforce Interests and Needs Survey

- PH WINS, a partnership between the de Beaumont Foundation and the Association of State and Territorial Health Officials (ASTHO), was fielded in 2014, 2017, and 2021.

- First and only nationally representative source of data about the governmental public health workforce.

- Supports the governmental public health workforce in understanding their strengths and gaps and informs future investments in workforce development efforts.
2021 METHODS

- PH WINS 2021 was distributed via web survey to **137,446 state and local governmental public health workers:**
  - 47 state health agencies
  - 29 big city health departments
  - 259 local health departments

- The PH WINS 2021 instrument had five domains: workplace environment, COVID-19 response, training needs, addressing public health issues, and demographics.

- One important change in 2021: non-permanent employees of centralized state health agencies were included in the nationally representative data set.
SETTING DEFINITIONS

- **States** setting includes respondents in a State Health Agency Central Office.

- **Big Cities** setting includes respondents in a health department that is a member of the Big Cities Health Coalition.

- **Other locals** setting includes respondents in local health departments with staff > 25 and serving a population > 25,000.
  - This includes local health departments in HHS Regions V and X as well as local health departments in other regions.
NATIONAL PARTICIPATION

- Nationally, the survey was completed by 44,732 individuals, for a 35% response rate.

- Response rates varied by frame:
  - **States:** 34%
  - **Big Cities:** 28%
  - **Other locals:** 52%
    - Locals in Regions V and X*: 56%

*HHS Regions V and X participated in the PH WINS for All pilot programming, recruiting all locals in those regions, regardless of size, to participate in PH WINS.
NATIONAL PARTICIPATION

- Nationally, the survey was completed by 44,732 individuals, for a 35% response rate.

- Response rates varied by frame:
  - SHA: 34%
  - Big Cities: 28%
  - Other locals: 52%
  - Locals in Regions V and X*: 56%

*HHS Regions V and X participated in the PH WINS for All pilot programming, recruiting all locals in those regions, regardless of size, to participate in PH WINS.

The Region 4 workforce accounts for 21% of the national governmental public health workforce.
2021 KEY FINDINGS: DEMOGRAPHICS

- PH WINS respondents self-reported demographic (personal) characteristics like their gender, race/ethnicity, and age.

- Respondents also self-reported the highest level of education attained and whether they have a specialized degree in public health.
DEMOGRAPHICS

- **82%** of the Region 4 workforce self-identifies as a woman.
- **More than half** of the Region 4 workforce self-identifies as White.
### DEMOGRAPHICS

- **44%** of the Region 4 workforce is between the ages of 31 and 50 years.

### AGE COLLAPSED

EDUCATIONAL ATTAINMENT

- 27% of the Region 4 workforce has an advanced degree.
  - 23% has a Master’s degree.
  - 4% has a Doctoral degree.
- 8% has a specialized degree in public health.
2021 KEY FINDINGS: WORKFORCE CHARACTERISTICS

• PH WINS respondents were asked a series of questions related specifically to their job and the work they do, including:
  • Supervisory status
  • Job role
  • Tenure in public health overall, at their agency, and in their current job.

• Respondents also reported full-time/part-time status and salary information.
**SUPERVISORY STATUS/JOB ROLE**

- Nearly 3 out of 4 Region 4 staff work in a **non-supervisory role**.
- 37% of staff worked in a **public health sciences job role**, which includes program staff, epidemiologists, and contact tracers, among others.
More than half of the Region 4 workforce is distributed across three primary program areas:

- Communicable Disease
- Maternal and Child Health
- Organizational Competencies, including administrative support, workforce development, and other business services.
**TENURE AT AGENCY**

- Nearly half of the Region 4 workforce in 2021 had served at their agency for 5 years or less.
- 14% had served 21 or more years.

2021 KEY FINDINGS: STAYING & LEAVING

• PH WINS respondents were asked a series of questions related to their intent to leave or stay at their agency and whether the COVID-19 pandemic affected their decision.

• Respondents were also asked to select reasons why they intend to stay or leave.
INTENT TO LEAVE/STAY

- 23% of Region 4 staff are considering leaving their organization within the next year.

- 16% reported that the COVID-19 pandemic impacted their decision to stay or leave.
  - Among those who intend to leave, 26% said the pandemic impacted their decision (data not shown).
REASONS FOR LEAVING/STAYING

• Understanding employees’ reasons for leaving is critical for improving recruitment and retention.

• **Top reasons for leaving** among Region 4 staff who intend to leave include:
  - Lack of advancement opportunities (reported by 39%)
  - Work overload/burnout (reported by 33%)

---

2021 KEY FINDINGS: TRAINING NEEDS

- PH WINS respondents were asked to rate the day-to-day importance of and their own proficiency with 25-26 skill items, tailored for their supervisory level.

- Skills were collapsed into 10 strategic skill categories.

- A **training need** is a skill item reported as having **high importance, but low proficiency**.

- Identifying training needs can help support strategies to produce T-employees, or those who have depth in technical skills and breadth in strategic skills.

**FIGURE 2.**

The Public Health T: Complementing Specialized Skills with a Cohesive Cross-Cutting Skill Framework

Note: T-shaped employees have depth in specialized skills related to a specific program or topic area (e.g., communicable disease control, environmental public health, etc.) and breadth in cross-cutting skills that include the Strategic Skills and Core Competencies.

TRAINING NEEDS: OVERALL

The top 5 areas of training needs across all supervisory levels are:

- Budget and financial management
- Systems and strategic thinking
- Community engagement
- Change management
- Cross-sectorial partnerships
The top 5 areas of training needs among non-supervisors are:

- Budget and financial management
- Change management
- Systems and strategic thinking
- Community engagement
- Cross-sectoral partnerships

### Training Needs: Non-Supervisors

</tbody>
</table>
The top 5 areas of training needs among supervisors, managers, & executives are:

- Systems and strategic thinking
- Budget and financial management
- Community engagement
- Policy engagement
- Change management
2021 KEY FINDINGS: ENGAGEMENT & SATISFACTION

PH WINS respondents were asked to rate their agreement with several statements related to:

- Job, organizational, and pay satisfaction
- Perceptions about their workplace
- Perceptions about their supervisors
- Perceptions about their organization
The Region 4 workforce is largely satisfied with their job (83%) and organization (73%).

Less than half (40%) are satisfied with their pay.

### Employee Satisfaction

PERCEPTIONS ABOUT ORGANIZATION

- In Region 4, the staff’s overall perceptions of their organizations are positive.
- However, there is room for improvement:
  - 58% of the workforce agrees that leadership staff and employees communicate well.
  - 49% agree that creativity and innovation are rewarded.
2021 KEY FINDINGS: WELL-BEING

• The 2021 PH WINS survey included questions specifically about employees’ mental and emotional well-being.
WELL-BEING

- 15% of Region 4 staff rate their mental health as either “poor” or “fair.”
The 2021 PH WINS survey asked respondents to rate their level of awareness of and confidence in applying five health equity concepts:

- Health Equity
- Social Determinants of Equity
- Social Determinants of Health
- Structural Racism
- Environmental Justice
**HEALTH EQUITY CONCEPTS: HEALTH EQUITY**

- 65% of the Region 4 workforce rated their awareness of Health Equity as a lot.

- 51% of the Region 4 workforce is very confident in applying the concept of Health Equity to their work.
HEALTH EQUITY CONCEPTS: SOCIAL DETERMINANTS OF EQUITY

• 47% of the Region 4 workforce rated their awareness of Social Determinants of Equity as a lot.

• 40% of the Region 4 workforce is very confident in applying the concept of Social Determinants of Equity to their work.
HEALTH EQUITY CONCEPTS: SOCIAL DETERMINANTS OF HEALTH

• **57%** of the Region 4 workforce rated their **awareness** of Social Determinants of Health as **a lot**.

• **47%** of the Region 4 workforce is **very confident** in applying the concept of Social Determinants of Health to their work.
HEALTH EQUITY CONCEPTS: STRUCTURAL RACISM

- 42% of the Region 4 workforce rated their awareness of Structural Racism as a lot.

- 35% of the Region 4 workforce is very confident in applying the concept of Structural Racism to their work.
HEALTH EQUITY CONCEPTS: ENVIRONMENTAL JUSTICE

• **38%** of the Region 4 workforce rated their awareness of Environmental Justice as a **lot**.

• **34%** of the Region 4 workforce is **very confident** in applying the concept of Environmental Justice to their work.
• Looking for more data and graphs?
  • This report represents only a small portion of the data that are available from the 2021 PH WINS.
  • Go to the national PH WINS Dashboard to view more data, download graph images, and more. You can find the dashboard at www.phwins.org/national

• Want to learn more about the survey?
  • Go to https://debeaumont.org/phwins/2021-findings/ for more information about PH WINS 2021, including key findings, links to publications and survey methods.
